Southampton - New York (on Maiden Voyage)

April. About 11-40 P.M., the weather clear & a starlight
 night vessel struck low-lying iceberg & glancing
 blow. The vessel starboard side, about the bilge,
 was apparently torn open for a considerable length.
 The Titanic began to make water rapidly
 & foundered 2-20 am (15th)

Only 705 passengers & crew, out of a total complement of
 over 2300, were saved being picked up early the
 same morning by the Carpathia.

Total Loss. Insured Value, as above, £4000-0-0

all. £2000
